Musical INSTRUMENT SALE

Provenance: Lots 493, 494, 495, 496, 497, 498, 499, 506, 507, 508, 509, 510 :

The following lots come from the Estate of Louis Jeandel (1922-1984) - grandson of Emile Aubert - the original bridge cutter. These bridges come from the old Jaendel - Aubert Workshop and family home in Ambacourt (4 miles from the Mirecourt).

See photo of Ambacourt Workshop. Were found in attic recently when the last family member moved out. The Workshop production was transferred to Mirecourt Workshop after the merger with Alain Moinier in 1984. Some of these bridges were cut by hand and the tool marks bear testament to this. Although mostly unstamped, the bridges are of high quality old wood. Wood originally sourced in Serbia. A rare opportunity to buy some genuine old pre Mirecourt French Aubert bridges.
